## SAKÉ, UMESHU & SHOCHU

Petit Moon Junmai 135ml **4,200**

Not too sweet and not too dry, this saké is well-bodied and has earthy notes that highlight the rice flavour. Enjoy cold or warm. Delicious with light umami dishes like chicken, Asian dishes, sushi and sashimi.

Urakasumi Kiippon 180ml **2,000**

This saké is made from locally harvested Sasanishiki rice resulting in a balance of acid and savoury with a hint of perfume. Umami with a creamy palate on the finish.

Urakasumi Junmai Shu 180ml **1,800**

A fruity and fresh nose containing notes of toasted nuts. Clean and refreshing, this saké pairs well with a wide range of dishes including seafood. Best served chilled, room temperature or as hot saké.

720ml **7,200**

Jozen Mizuno Gotoshi Junmai Ginjo 300ml **8,000**

A light, dry-tasting saké that is as crisp and clean as a dry white wine. Smooth, palatable and amazingly versatile saké, great with seafood, poultry and meat dishes.

Tochikura Umeshu 720ml **18,000**

Literally translates to 'umeshu' in Japanese. Here, 'ume' means plum and 'shu' is liquor. The concentrated sweetness in the aroma and taste contains apricots, dried fruits, and fruit compote.

Godo Umeshu 125ml **2,250**

A perfect balance between ume extract and alcohol is achieved by aging the whole fruit, with the stone still inside. The delicious tang of umeshu comes from citric acid in the fruit and the refreshing flavour stimulates the appetite.

500ml **9,000**

Gekkeikan Nigori (Cloudy Saké) 150ml **4,500**

Rough-filtered Junmai-shu. By definition Nigori means 'cloudy' and this style of saké is thicker and creamier in texture, with a milk-like appearance. The 'cloudiness' comes from the rice sediment which remains in the sake after it has been passed through a special coarse-mesh filter. Characteristically sweet with a creamy medium-body. Hints of honey and tropical fruit, with a long finish.

300ml **9,000**

---

Uonuma Tanrei Junmai	720ml	<b>9,000</b>
<p>This is the best example of Niigata style light, dry and crisp flavoured Junmai saké.          Drink chilled with fresh seafood in a hot summer day.</p>		
Uonuma Karakuchi Junmai	720ml	<b>9,600</b>
<p>Karakuchi is fermented slowly at low temperature to produce a clean refreshing dryness. This saké has a sharp cleansing aftertaste. Best served chilled or heated at 40°C.</p>		
Tantakatan Shiso Shochu	180ml	<b>3,800</b>
	720ml	<b>15,200</b>
<p>Japanese herb infused shochu. The aroma is fresh and flowery which can also be detected in the crisp, clean flavor. Very easy to drink.</p>		
Hawk in the Heaven Tokubetsu Junmai	180ml	<b>4,000</b>
	720ml	<b>16,000</b>
<p>Dry and crisp, the flavours are dominated by mixed nuts, fresh cut green grass and other earthy flavours. Medium-bodied with a rich mouthfeel, followed by a lengthy and dry finish.</p>		
Kanbara Tokubetsu Junmai	720ml	<b>24,000</b>
<p>High-pitched, nuanced nose combines melon, lime, mint, nuts and dusty fresh herbs. Juicy and intense, with assertive flavours of citrus fruits, melon, herbs, spices and nuts. Not a heavy style but boasts impressive palate presence and plenty of character.</p>		
Horin Junmai Daiginjo	720ml	<b>33,000</b>
<p>This saké has a delicate, fruity nose with hints of cantaloupe, honeydew and honeysuckle, as well as a smooth mouthy-feel and creamy body, with a long, clean aftertaste containing hints of pear. A quality saké such as this is best served cold with fresh, mild dishes.</p>		
Time of Reflection Junmai Daiginjo	720ml	<b>52,000</b>
<p>Lovely aromas of white pear and fresh citrus. Hits the palate with rich and viscous long finish. A great pairing for lightly spicy foods.</p>
